OBJECTIVE

Computer Engineer student with a strong foundation in **programming, databases, and Data Structures and Algorithms**. Aspiring full stack web developer with hands-on experience in HTML, CSS and JavaScript. Passionate about building responsive, user-friendly web applications and continuously learning new technologies. Currently focused on strengthening Data Structures and Algorithms (DSA) to enhance problem-solving and backend development skills.

SKILLS

Programming Languages: C, C++, Java, Python, PHP (Intermediate)

- **Web Technologies:** HTML, CSS, JavaScript
- **Database:** MySQL
- **Developer Tools:** Git, GitHub, VS Code
- **Core Concepts:** Data Structures & Algorithms, Object Oriented Programming (OOP)

PROJECTS

Portfolio Website (Live Demo)

- Designed and developed a personal portfolio website to showcase skills and projects.
- Built using **HTML, CSS,** and **JavaScript** with responsive design for all devices. Implemented animations using AOS library and integrated a contact form capable of sending emails without backend using EmailJS.

To Do List Website (Live Demo)

- Developed a dynamic and user-friendly To-Do List application using **HTML, CSS** and **JavaScript** to manage daily tasks.
- Implemented features like task addition, deletion, completion status toggle, and local storage to retain tasks across sessions. Focused on clean UI design, responsive layout, and efficient DOM manipulation.

Personal Expense Tracker (Live Demo)

- Built a responsive Expense Tracker web application using **HTML, CSS,** and **JavaScript** to help users monitor income and expenses.
- Included features like transaction history, real-time balance calculation, and local storage for data persistence. Designed with a clean, intuitive interface and optimized for both desktop and mobile devices.

EDUCATION

BE in Computer Engineering, GES R.H Sapat College of Engineering, Nashik 2024-2027

- GPA: 8.01 /10

Diploma in Computer Engineering, LOGMIEER College of Engineering, Nashik 2021-2024

- Percentage: 87.77%

10th (SSC), K.V.N School, Nashik

- Percentage: 93.20%

ACHIEVEMENTS

- Completed **Web Development Front-End Training** by 1Stop (Alcheringa IIT Guwahati), gaining hands-on experience in modern web technologies.
- Successfully completed **Web Development Back-End Training** by 1Stop (Alcheringa IIT Guwahati), building practical backend development skills.
- Earned **AI & ML Fundamentals** certification from **Infosys Springboard**.
- Completed **Data Science Job Simulation** with **British Airways (Forage)**, gaining practical experience.
